A dark, atmospheric photograph of a stone staircase leading up through dense trees towards a bright sun.

The important thing
is to learn a lesson every time you lose

STAIRWAY
TO
HEAVEN

What makes night within us may leave stars

Be yourself; everyone else is already taken

7^e avril 1862 par l'ordre du 1^{er} juillet

Siens mesdames et messieurs
maîtres avocats
(Mme de... et autres)
notaires

Notre Dame de
Picardie, le 7^e avril 1862
au nom de la terre
du Roi, Preuves et
coups de mille duc-
ttes,

Tomorrow will be beautiful
I know, cause i'm making it today

Let yourself change
Don't let anyone
Tell you that
It'd be better
If you stayed the same.

Maybe you are searching among the branches
for what only appears in the roots

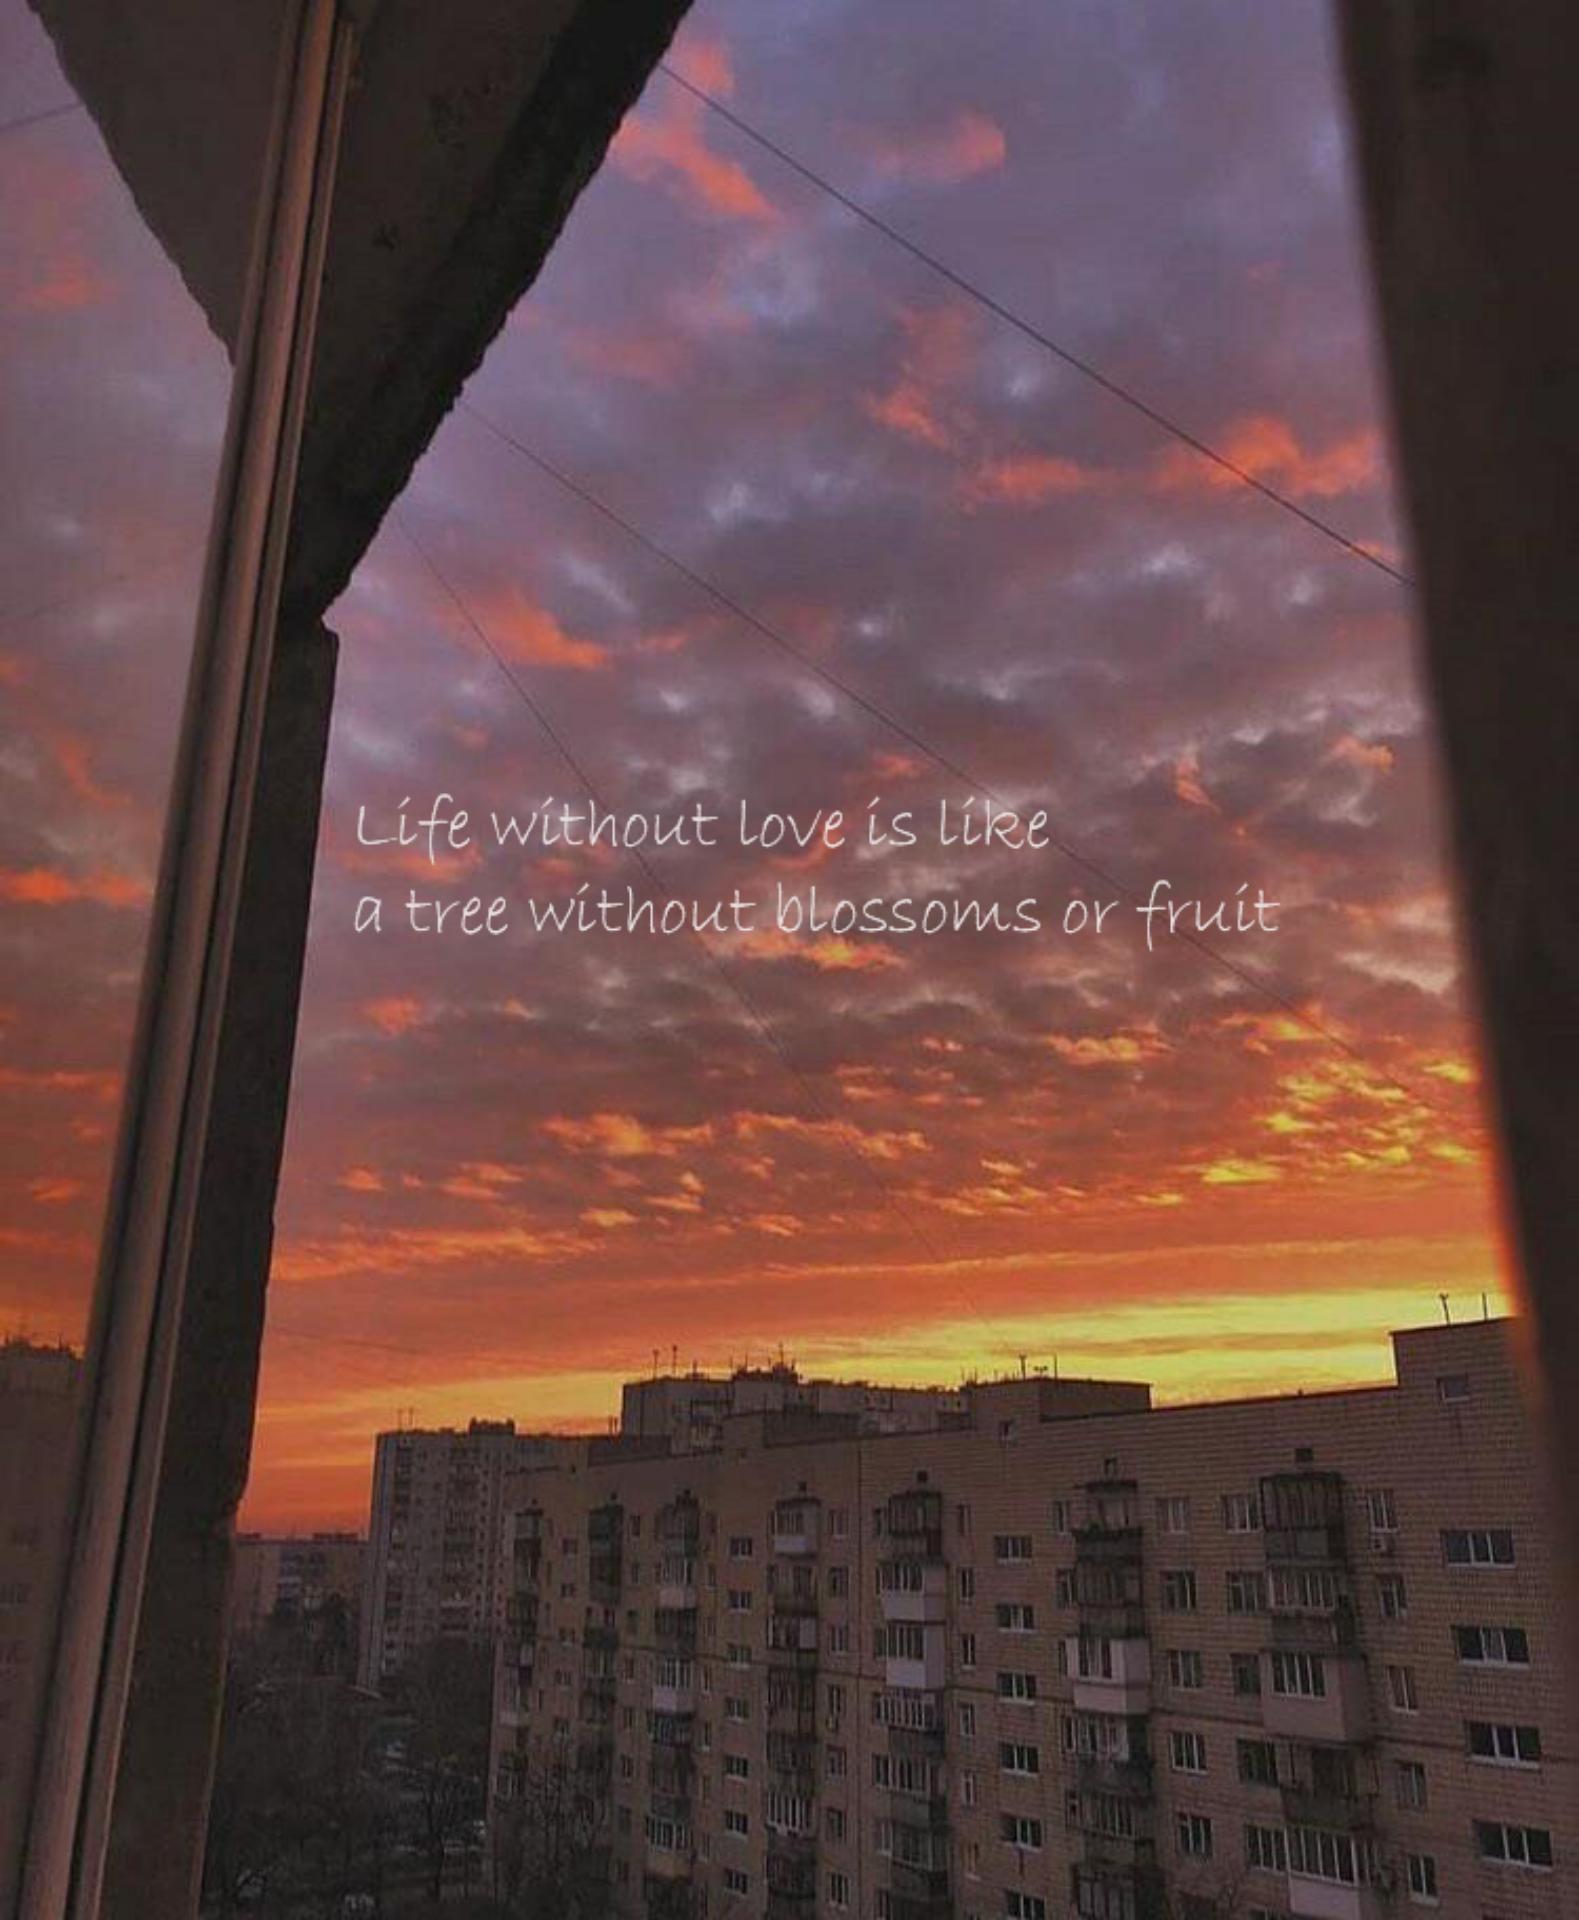

Sometimes you just
have to breathe and
tell yourself it's okay
even when it's not

The wound is the place where the light enters you.

Life without love is like
a tree without blossoms or fruit

Once you choose hope
Anything's possible

Take time like the river
That never grows stale
Keep going and steady
No hurry No rush

Life is a Love song
You dance, cry, smile and dream
and then it ends.

While you are upon the earth
Enjoy the good things that are here.

STEP

The only way to look pretty
Is to THINK PRETTY.

We are healed of a suffering
only by experiencing it to the full

Cleverness is not wisdom.

Life is the flower for which Love is the honey.

A wide-angle photograph of a sunset over a calm body of water. The sky is filled with large, billowing clouds that are heavily illuminated from behind by the setting sun, creating a vibrant orange, yellow, and red glow. The horizon line is visible, showing the dark silhouette of distant mountains against the bright sky. The overall atmosphere is serene and majestic.

But sky knows my name
and it knows my heart.

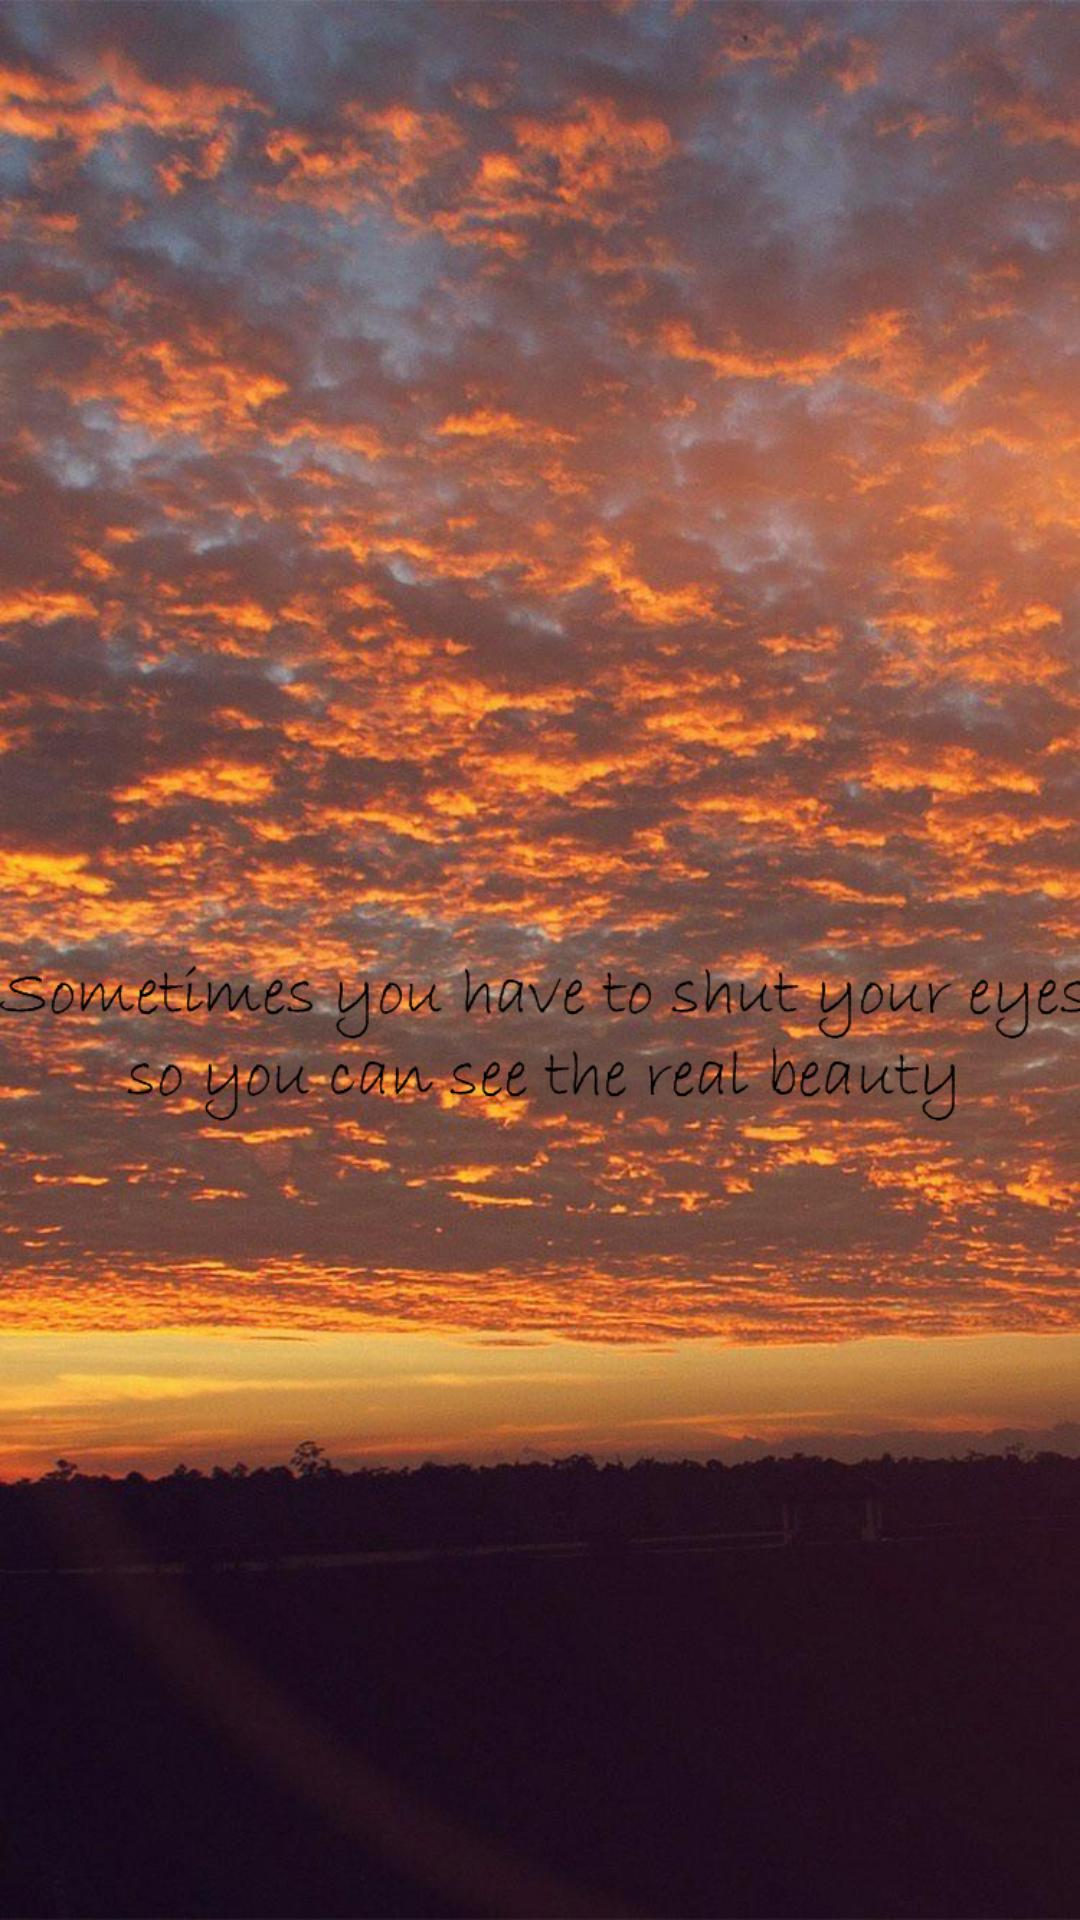

A photograph of a swing set in a park. A large, textured tree trunk on the left supports a swing. The swing's chains hang down towards the bottom right. In the background, a majestic mountain peak is silhouetted against a vibrant orange and yellow sky, likely at sunset. The foreground is a grassy field.

Stop rushing
you can't go any faster than you're meant to go.

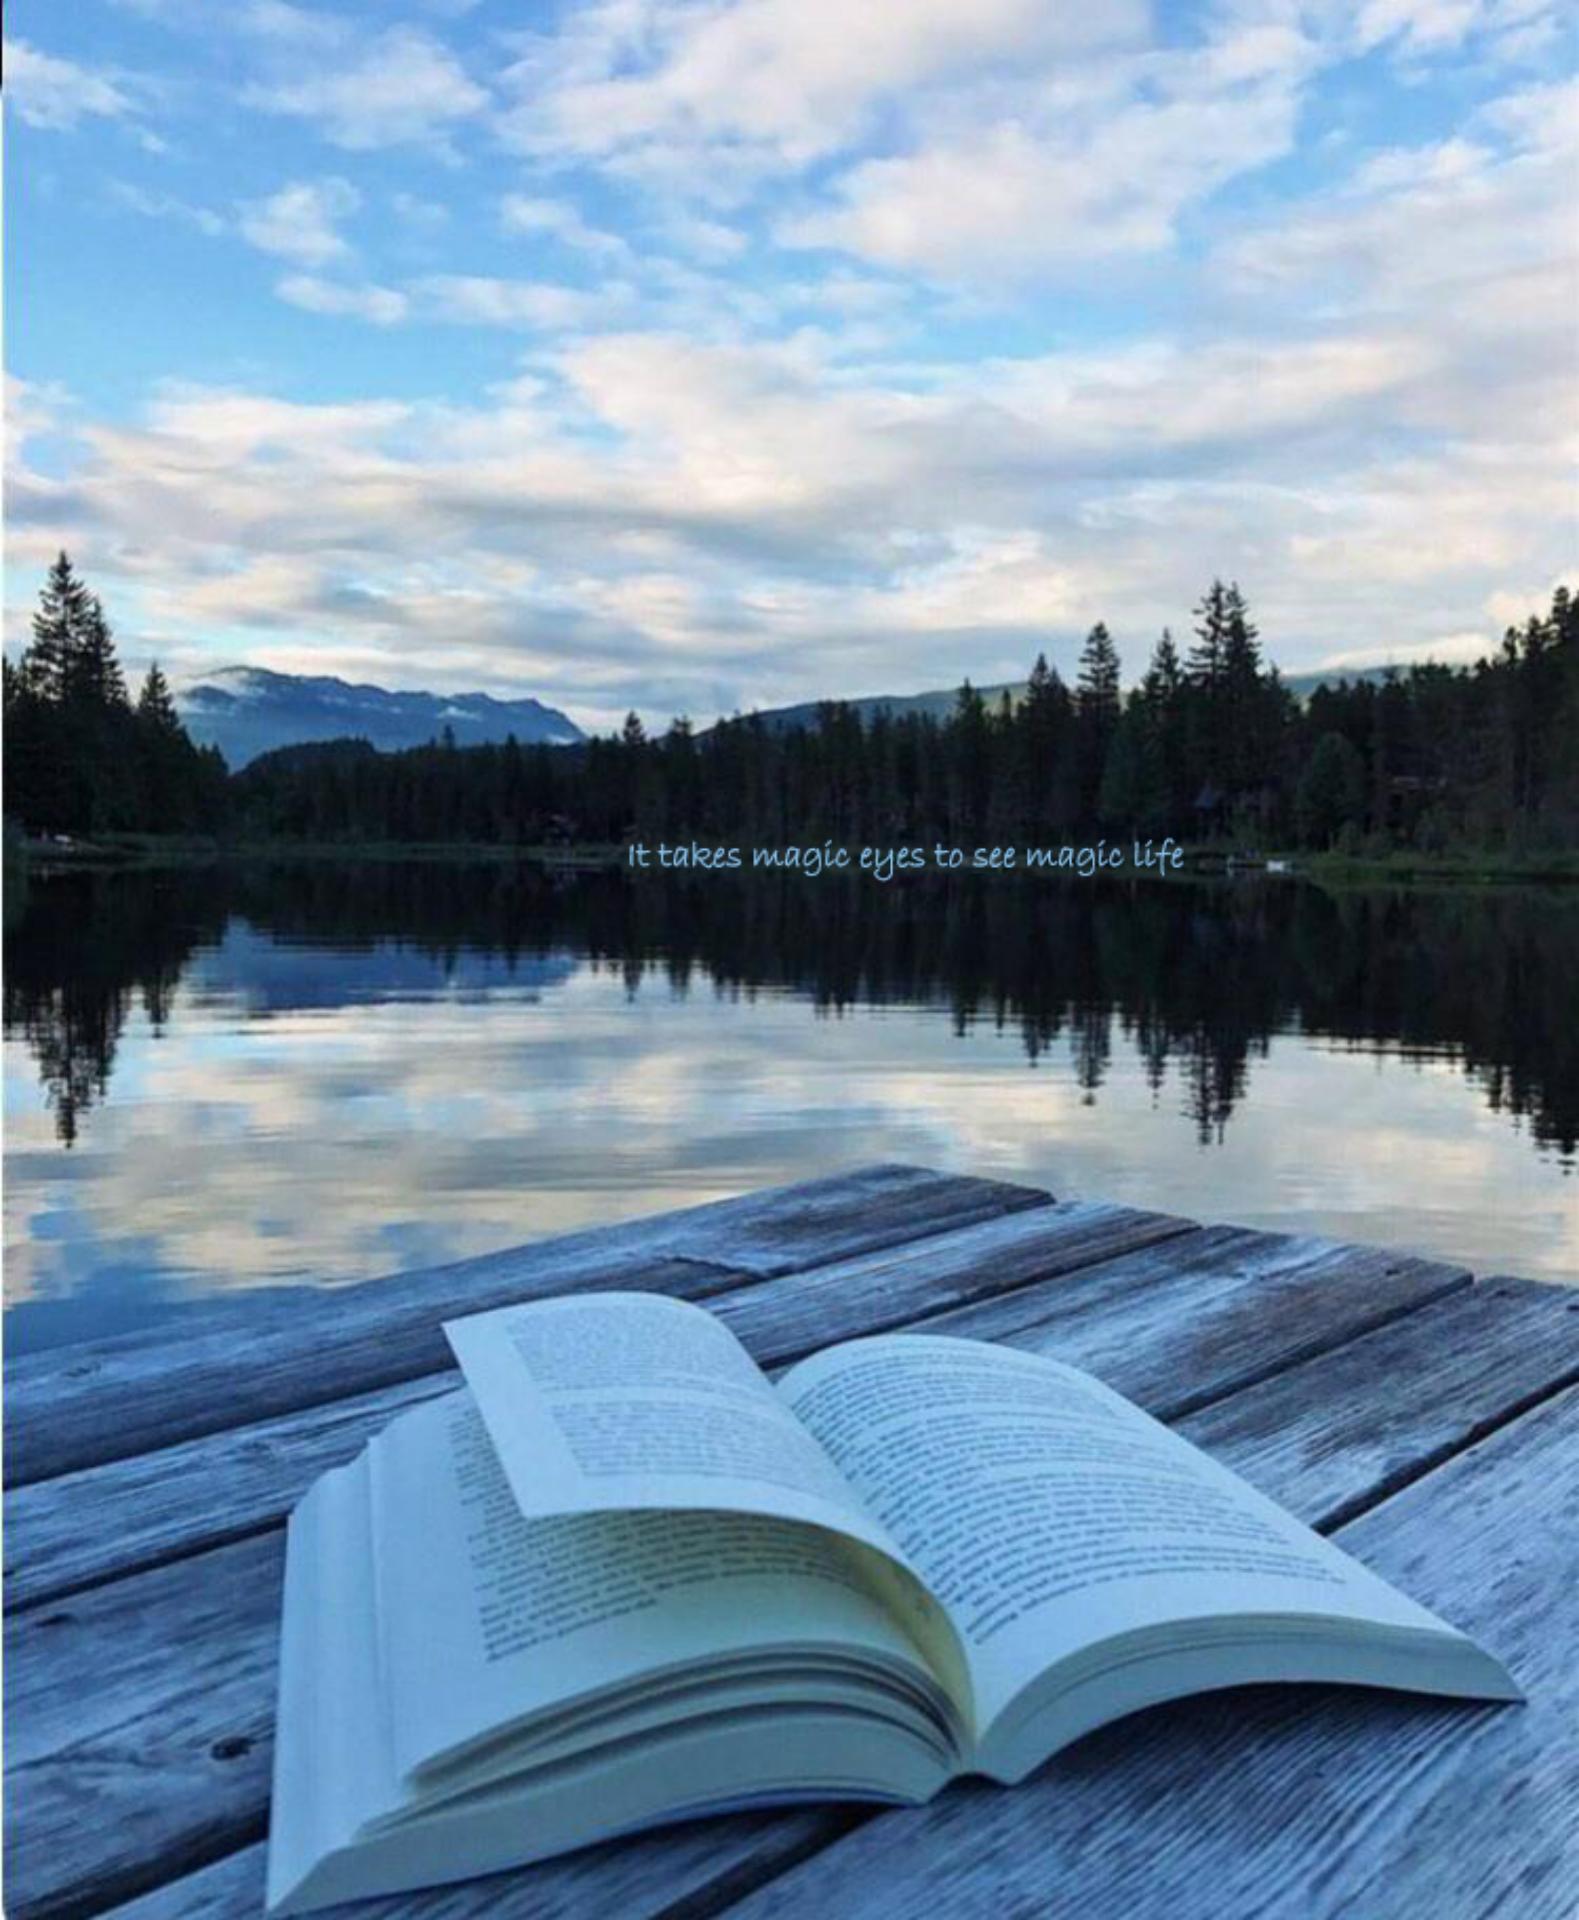

Only fake love HURTS.

The background of the image is a vast, dramatic sunset or sunrise sky. The upper two-thirds of the image are filled with a dense, textured cloud layer. These clouds are heavily illuminated from behind, showing bright orange, yellow, and red highlights against a darker, purplish-blue base. Below this, the horizon line is visible, featuring a dark silhouette of what appears to be a forest or coastal area. The sky transitions into a lighter, golden-yellow hue near the horizon, suggesting the sun is just below the line.

Sometimes you have to shut your eyes
so you can see the real beauty

A wide-angle photograph of a serene landscape. In the foreground, a wooden dock extends from the bottom right towards the center. An open book lies on the dock, its pages facing upwards. The middle ground is a calm lake reflecting the surrounding environment. The background features a dense forest of coniferous trees along the shore, with majestic mountains visible through a cloudy sky.

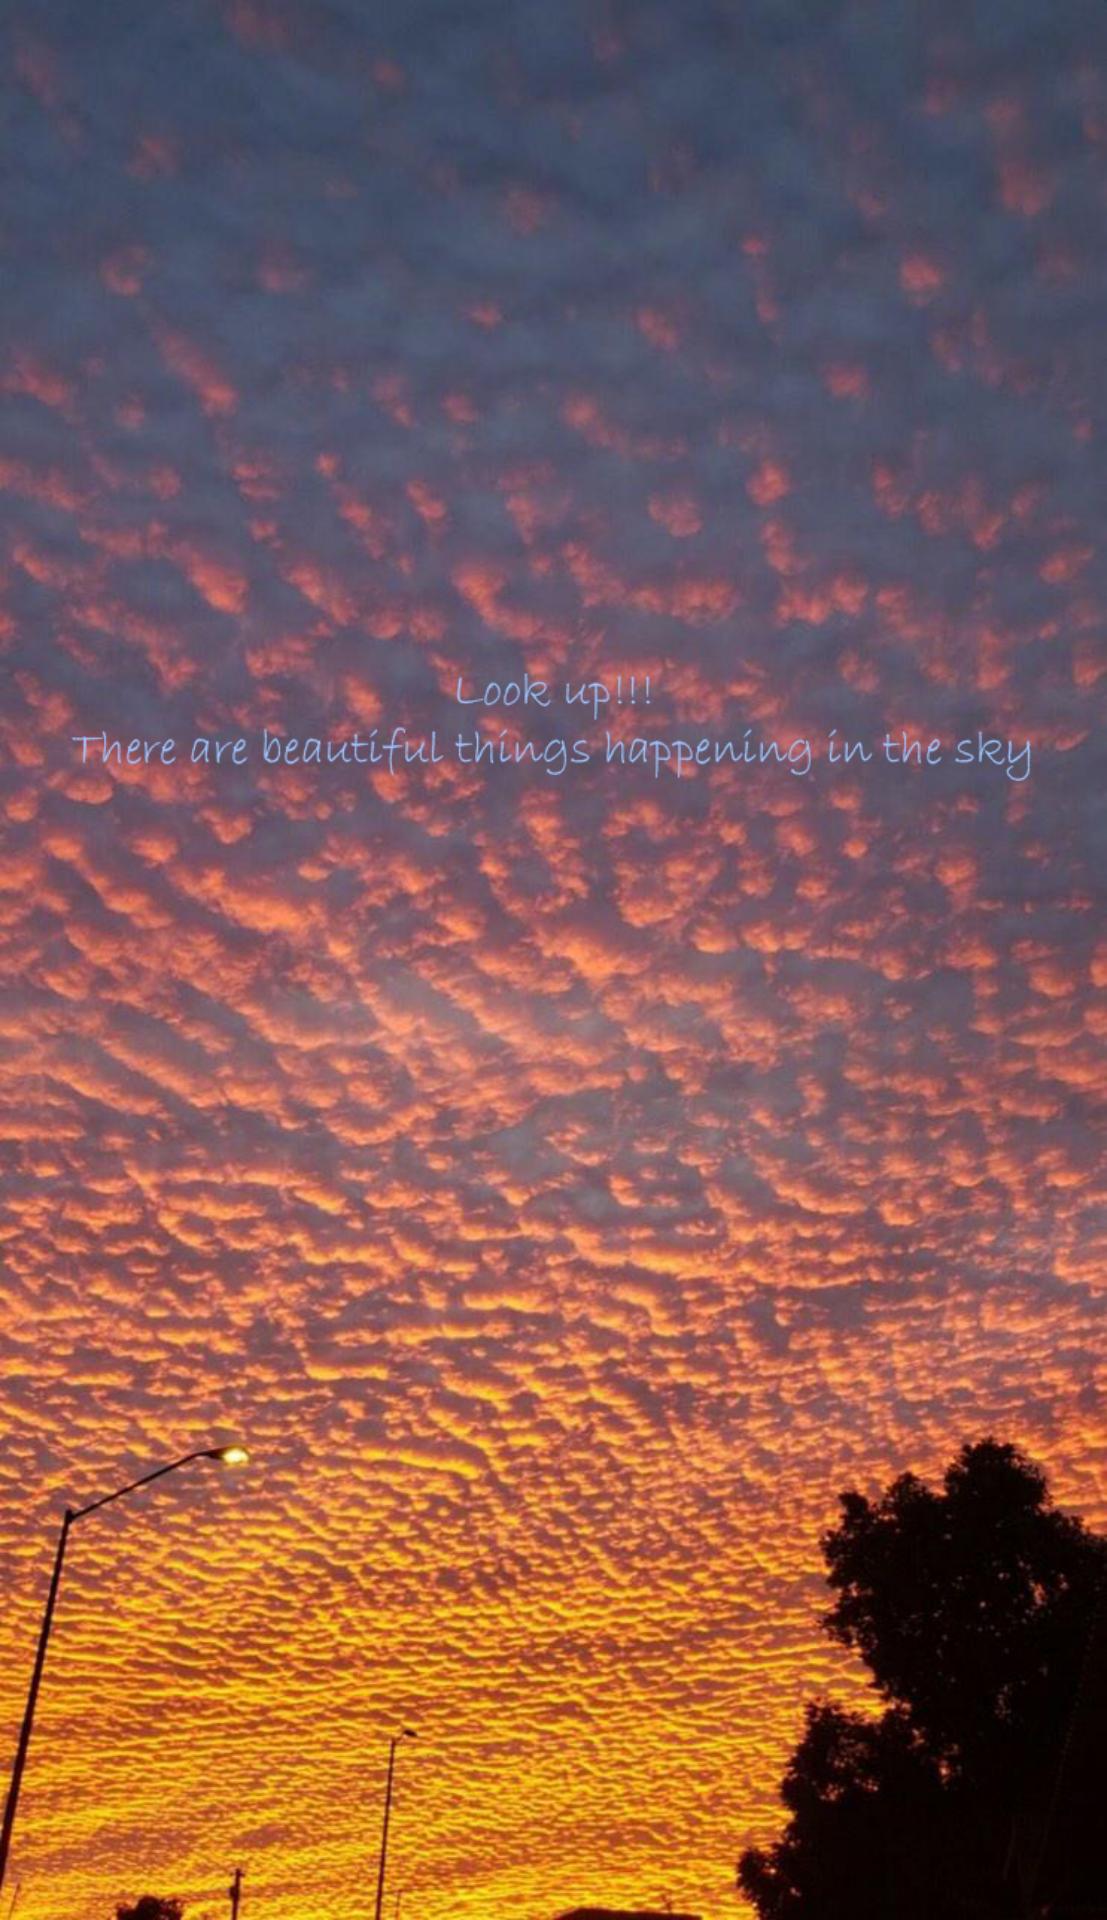

It takes magic eyes to see magic life

*"Some beautiful paths can't be discovered
without getting lost."*

Do not look for healing
At the feet of those
Who broke you

Look up!!!

There are beautiful things happening in the sky

A photograph of a night sky filled with numerous glowing lanterns. The lanterns are of various colors, including shades of orange, yellow, red, and green. They are scattered across the dark blue and black background, creating a sense of depth and multitude. In the foreground, the silhouettes of many people are visible, looking up at the lanterns. The overall atmosphere is one of a festive or commemorative event.

I fall but always finally fly

A photograph of a city street at night during a snowfall. The scene is illuminated by streetlights and the warm glow from nearby buildings. People are walking along the sidewalk, and several cars are parked or driving on the street. The ground and air are covered in falling snow.

Change, like healing, takes time.

Speak of your pain
Sky is there to listen

A photograph of a sunset over the ocean. The sky is filled with warm, orange and yellow clouds. In the foreground, a large, dark rock formation juts out from the left side of the frame, partially submerged in the water. The ocean waves are visible, reflecting the warm colors of the sunset.

It is our light
not our darkness
that most frightens us.

A wide-angle photograph of a city at night. In the foreground, a multi-lane highway is filled with cars, their lights blurred into streaks of red and orange. The middle ground shows a dense cluster of skyscrapers and office buildings, their windows glowing with warm light. The sky above is a deep, dark blue, transitioning to a lighter orange and yellow near the horizon, suggesting either sunset or sunrise. A prominent skyscraper on the left has a vertical sign that reads "PARK".

You will never be who you want to be
until you are happy with who you are.
